### Sescolite

For nearly a century, Sescolite has braved every lighting trend. Today's curated selection of statement-making indoor and outdoor lighting taps Hudson Valley, Hubbardton Forge, Troy and Arteriors. For more streamlined models, look to Sonneman and Eurofase. Luminaires with simple linear profiles, geometric cages or soft gold finishes stand out among this year's crop. 461 CASTLEFIELD AVE 416 651 6570 (ALSO: 4175 FAIRVIEW ST, BURLINGTON 905 632 8659) SESCOLITE.COM

### Sistemalux

Though its usual beat is kitting out institutional and commercial spaces like the Whitney Museum of American Art, Roots and LCBO, Sistemalux also carries architectural lighting for the home. Italian manufacturer iGuzzini uses innovative track systems and sculptural downlights to illuminate without glare, while exterior lighting from Simes lets you light your steps with walk-over and recessed wall fixtures. 383 ADELAIDE ST W 416 408 3995 SISTEMALUX.COM

### Ultra Lighting

Located just below street level at Spadina and Richmond is an eclectic trove of lighting for cost-conscious shoppers. Statement-making luminaires include Jonathan Adler's bamboo-inspired Meurice chandelier and Maxim Lighting's Saki, a tranquil accent piece that radiates gentle

illumination. With a wide range of European-influenced stock from Allegrri, Kalco, Arteriors and Eurofase, there's something here for everyone. 129 SPADINA AVE 416 868 9606 (ALSO: 805 DUNDAS ST E 905 272 8766) ULTRALIGHTING.CA

### Viso Inc.

A source for creative and stylish light fixtures, Viso carries 35 made-in-Toronto lines. Top sellers include the beautiful Fort Knox pendant – a polycarbonate fixture available in a variety of metallic finishes – and the gorgeous dual-tone marble and cast-glass beauty of the Wandering Star. Seeking a transformative decorative piece? Viso's Chestnut fixture adds a delicate sophistication to ceilings or walls. 388 CARLAW AVE, STE #207 416 461 8476 VISOINC.COM

### Zaneen

Zaneen's focus is minimalist architectural lights from leading European manufacturers, including streamlined suspension models and track lighting. There are also decorative items, like sconces with quilted faux-leather shades, and playful pairings of bulbous and tubular glass – but fixtures from Dutch manufacturer Quasar steal the spotlight. Current faves: the branching, wall-mounted Sparks, and Universe, a wispy, metal-framed cage with mini LEDs at each joint. 30 TYCOS DR 416 247 9221 ZANEEN.COM
