

# APPLIQUE CYLINDRIQUE PETITE

*Charlotte Perriand*

LED wall lamp with cylindrical lampshade available in two sizes (Longue or Petite) in light blue painted metal. Perriand's interest in pivoting screens reflects her observation on human gestures: a simple touch allows the light beam to be controlled and directed.

## E12 LED/HALO/FLUO

---

### LAMPING

Source	E12
Total power	40W
Emission	Indirect, Orientable
Switching	Dimmable according to bulb
Tension	120V
Ip class	20
Dimensions	6.3 X 4.1
Materials	Metal

### Codes

CYL EBN 31

### Structure

anthracite grey/light blue
