

LAMPE CABANON

In 1952, on the shores of the French Riviera, Le Corbusier built “Cabanon”: the absolute archetype of essential living. The project, executed according to the rules of the Modulor, is found just a stone’s throw away from the sea and served as a refuge for the architect in his final years.

E27 LED

LAMPING

Source	E27 LED
Total power	25W
Emission	diffused
Switching	dimnable on cable, according to bulb
Tension	230V
IP class	20
Dimensions	21x42cm
Notes	cable length 2,5m, LED 4-25W
Net lamp weight	1,1 kg

Codes

CAB ENW 11

Structure

gun metal/green tracing paper sheet

PACKAGE

Package 01

Gross weight: 1,8 kg

Certificazioni
