

LE GRAND BLEU

The vibration of **Le grand bleu**, special version of the Potence Pivotante Mini by **Charlotte Perriand**. An iconic colour for this numbered edition of a timeless paradigm of the lighting design world.

In her autobiography, Charlotte Perriand describes how the Potence Pivotante was conceived “In 1940 I designed a revolving and spartan lamp, manufactured with long, black tubes assembled in a shape of an inverted L, to bring electrical cable from the switch to the bulb”.

LED/HALO

LAMPING

| | |
|-------------------|---|
| Source | halopin G9 QT-14 |
| Total power | 4W |
| Emission | diffused |
| Switching | dimmable |
| Tension | 230V |
| Color temperature | 2700K |
| Luminous flux | 400lm (source luminous flux) |
| Materials | steel + aluminium |
